FOUNDATIONS: Bible Brawn

In the NFL, players are expected to memorize a staggering 800 different plays. In our lives, God asks that we memorize and apply the Word of God to our lives to carry us through our daily lives – yet the Bible has lost its prominence in our lives today. This morning, be challenged to get back into the Word of God again and allow it to be the light for your guide for faith and daily living.

Tonight: The Alter Prayer Service

Tonight we will have a time of prayer for the church, community, and the world around us. Join us tonight as we move to make the alter of prayer our central focus once again.

Wednesday: 7:00pm: We have classes for all ages and service in the auditorium for the adults. This is a great way to get through your week.

Wednesday Night: Living in the Spirit

Our new Wednesday night series kicks off on September 11 entitled, *“Living In The Spirit”*. Over the next eight weeks we will discover how the Holy Spirit can truly operate in our lives and the church if we will simply step out of the way. There is a book that goes along with this series called *Living in the Spirit* and the cost is \$10.00. Please see Pastor Robert if you are interested in purchasing a copy of this week. Supplies are limited!
